CLASS OF 2014

IN DEDICATION

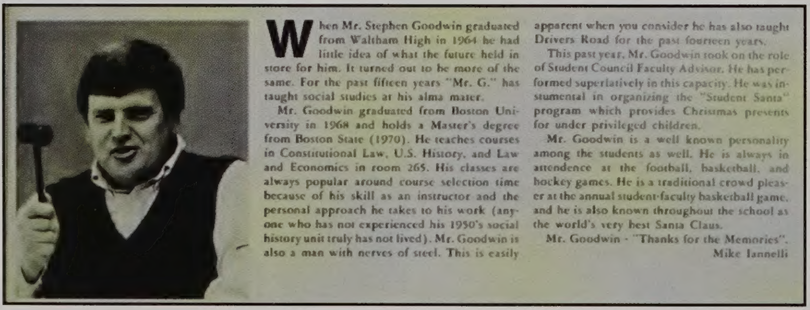
Mr. Stephen Goodwin

A graduate of the Boston University and Waltham High School's Class of 1964, Mr. Goodwin has been invested in bettering the Waltham community ever since he became a teacher of United States history, constitutional law, and sociology forty-four years ago. Mr. Goodwin has also served the Waltham High School community as organizer of hundreds of homecoming dances, coordinator of Student Council for twenty years, and teacher of WHS driving courses.

Throughout his years spent teaching and leading both students and faculty, Mr. Goodwin has simultaneously served on the K-12 Social Studies Curriculum Frameworks for the Massachusetts Department of Education. Earning the honor of John F. Kennedy Jr. Presidential Library's Law Teacher of the Year, as well as University of Massachusetts Amherst's High School Law Teacher of the Year, Mr. Goodwin has consistently exhibited strong initiative, character, and dedication.

Mr. Goodwin's service to Waltham High School goes far beyond his service as teacher, co-worker, and head of the History Department. Thirty years ago, Mr. Goodwin created Waltham High School's Student Santa program, which raises money and provides gifts for local children in need. This very program has become an integral aspect of WHS's community and, following in the footsteps of Mr. Goodwin's altruism and leadership, students and faculty raised around $30,000 for Student Santa in this past year alone.

This 2014 yearbook is dedicated to you, Mr. Goodwin, for the commitment and care that you have shown for Waltham High School throughout the decades, for your teaching abilities and strong initiative, for your success in bettering both the high school and the community at large, and for leading the History Department. As you prepare for retirement, the entire Waltham community wishes you all the best in your future endeavors.



When Mr. Stephen Goodwin graduated from Waltham High in 1964 he had little idea of what the future held in store for him. It turned out to be more of the same. For the past fifteen years "Mr. G." has taught social studies at his alma mater.

Mr. Goodwin graduated from Boston University in 1968 and holds a Master's degree from Boston State (1970). He teaches courses in Constitutional Law, U.S. History, and Law and Economics in room 265. His classes are always popular around course selection time because of his skill as an instructor and the personal approach he takes to his work (anyone who has not experienced his 1950's social history unit truly has not lived). Mr. Goodwin is also a man with nerves of steel. This is easily apparent when you consider he has also taught Drivers Road for the past fourteen years.

This past year, Mr. Goodwin took on the role of Student Council Faculty Advisor. He has performed superlatively in this capacity. He was instumental in organizing the "Student Santa" program which provides Christmas presents for under privileged children.

Mr. Goodwin is a well known personality among the students as well. He is always in attendence at the football, basketball, and hockey games. He is a traditional crowd pleaser at the annual student-faculty basketball game, and he is also known throughout the school as the world's very best Santa Claus.

Mr. Goodwin - "Thanks for the Memories".

Golf Team

This year's better than ever golf team achieved an excellent record of seven wins and one loss with the fine assistance of Coach Elliot.

IN RECOGNITION

Mr. Gelinas

Throughout the past four years Mr. Gelinas has proven to be generous to each one of his students. Whether it was coming up with fundrasing ideas for the senior class, cooking for all the cast members of Senior Revue, helping organize social events for our class, or even the infamous Ohlin's donut surprises, whatever it was, it was always for his students . One of the most remarkable things about Mr. Gelinas is how much he has been involved with the senior class for the past four years. He has attended almost every sporting event and every school function. He always puts a smile on everyones face especially when dressing up as Elvis and singing "All Shook Up" in this years Senior Revue. Mr. Gelinas also always made an extra effort to really get to know his students. Whether it was recognizing them for their success or reaching out to them while they were struggling, he was always there for them. The class of 2014 is very thankful for all of Mr. Gelinas' dedication, involvement, great memories, and generosity.

Ms. Ortiz

Throughout high school, we get to know our teacher and we grow to trust them. Although Ms. Ortiz is not a teacher, she has always been a person that everyone knows they can go to with a variety of issues, problems, and anxieties.As a Student Adjustment Counselor, her job is to help make sure that students reach academic success, but she always has her door open to any students that just want to say hello. Along with being a helping hand, Ms. Ortiz has also organized many senior events, such as the carnations on Valentine's Day. Keeping a balance in the house office, her role with Mr. Gelinas is vital, as well. All in all, behind ever great house master, there is a person like Ms. Ortiz.

Mrs. Kroll

Over the past four years, we have been privileged to have one of the most hardworking, funny and motivated secretaries. Mrs. Kroll fulfills the duties of a secretary and willingly does all that we ask of her. She has been a tremendous help to the Class of 2014 for four years and is there in ways that the students aren't even aware of, such as filling out slips, organizing student data, and essentially being the glue of our graduating class. Mrs. Kroll is someone who puts others before herself and is ready to help at a moment's notice. She's willing to get her work done without distraction and do anything it takes to accomplish her task. We can't thank her enough for putting up our classes "shenanigans" and doing all of the behind the scenes work that we would be lost without.

CROSS COUNTRY

This year's cross country team was coached by Kevin Long and led by three inspiring captains, Chris Kelleher, Kaitlyn Brophy, and Roger LaCroix. The team enjoyed great success by ending up seventh out of nine in the DCL. They beat Wayland and Boston Latin, both of which are intense rivals for Waltham, and truly demonstrated what it meant to "defy the odds." Throughout the season, the team bonded at practices, growing together both as a family and as individuals . With a strong emphasis on spirit and hard work, this year's Waltham cross country team always ran with passion and intent, striving to reach their personal goals every opportunity they could..

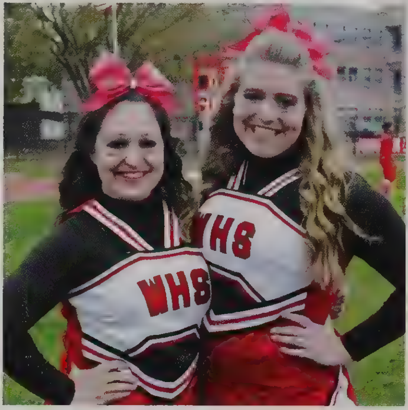
FOOTBALL

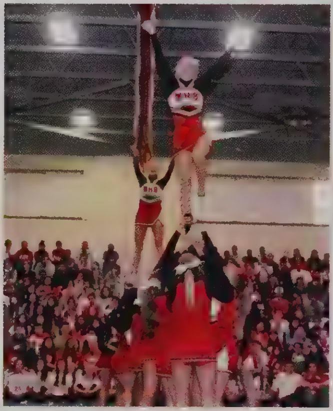
Something special about this year's football team was that for the first team since 2000, the players made it to the post-season. Coach Bourque is known for telling the team to "get better, don't get by," which is certainly something that the boys stuck to throughout the ups and downs of the season. As a result of their dedication and perseverance, the team finished the 2013 season with a total of eight wins, and also made it to the semi-finals. According to captains Sean Reynolds and Kens Morantus, "playing under the Friday night lights" is what they will miss most after playing high school football for four years.

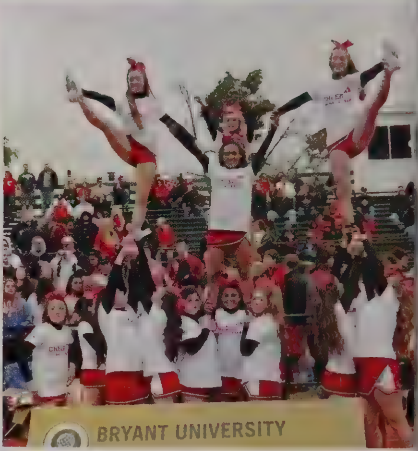
CAPTAIN'S QUOTES

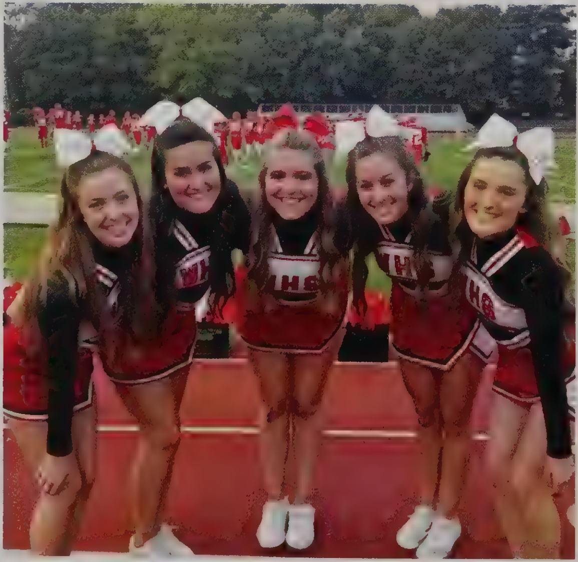
"The season was filled with a lot of ups and downs, but in the end we pulled through, winning the DCL title. We couldn't have done it without this amazing group of girls!"
-Lauren Vitone, Senior

"A season with quite a few ups and downs ended with a DCL championship and sisterhoods that will last a life time."
- Gina Falzone, Senior





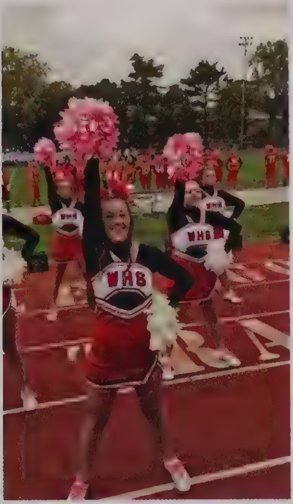




CHEERLEADING

FOOTBALL

Led by head coach Kerrie Blanchard and captains Lauren Vitone and Gina Falzone, the 2013 cheerleading team had a great season. The squad supported the football team during every game by "pumping up" the fans and cheering on the boys, sometimes having to hold enthusiastic smiles through the cold, late-Fall weather. Along with showing support for the football team, the squad also raised money for Dana Farber to help support cancer research and, for the second year in a row, earned the title of DCL Champions at the annual league competition.



With a great coach and positive teammates, the 2013 golf team enjoyed the season, despite only one win. "Coach's best advice this year was probably just to stay calm and let it all work itself out. He was really helpful in keeping the team calm so that we could continue to play our best," says team captain, Kevin Snow. The record was 1-13, with a great win against Bedford. Senior, Joseph Marmion, says that one of his favorite memories of the year was hanging out on the putting green and preparing with his teammates before matches.

WRESTLING

Led by captains Trevor Martin, Tyler Zanco, and Eric Yanes, as well as Coach Jean Damien, Johny Katino, and Francis Stanton, the Waltham High School boys wrestling team enjoyed a season of tournaments that lasted from "sun up to sun down". According to the team captains, the best part of the season was filling up on good food after weigh-ins and the funny pranks pulled at tournaments. The team's biggest rival this year was Wayland, but despite hard tournaments, each wrestler on the team gained new skills and experience throughout the season. As the wrestling team goes on to complete a new season, it mourns the untimely loss of co-captain Tyler Zanco and will undoubtedly dedicate future efforts to his memory

THE ABSTRACT

The Abstract, WHS's own literary magazine, is a great way for students to express themselves, as well as entertain and inform the student body. Advised by Ms. DiCarlo, the club would meet to come up with new things to include in the magazine and brainstorm how they could make it interesting to the public. A variety of talents have been included in The Abstract, such as comic strips, poetry, and other forms of art. All students involved enjoy the club for both its social aspects and its allowance of expression. Many Seniors were involved in this club, such as Megan Cericola, Vanessa Leroy, Sharifah Mukasa, Emily Bowling, Billy Raad, and Michael Perlow, who all contributed their lovely talents.

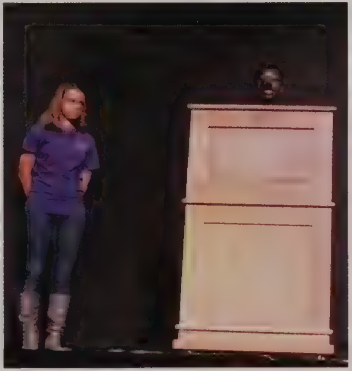
ABC CLUB

One extremely valuable club at WHS is the Anti-Bullying Club, otherwise known as ABC. Senior, Jack Drewry, is the founder of the Anti-Bullying Club at Waltham High, as he proposed the idea for the club during his sophomore year. The largest event that the ABC participated in this year was the "Stand-up 2014", a conference at Worcester's DCU Center that focuses on matters such as bully recognition, bullying prevention, and what a student can do to be active in the fight against bullying. Domestically, the Anti-Bulling Club focuses on the academic nature of bullying, such as how people can safely and effectively stand up to a bully that they encounter. Another exciting way that the ABC brought their message to Waltham High was through it's annual "No Name-Calling Day", where the members encourage the student body to wear all black for bullying awareness.

"Everyone in the ABC club is dedicated to stopping bullying. I'm going to miss the warm community that we formed" -Jack Drewry, Senior



ART CLUB

For students who like to express themselves through the various forms of studio art, there is the Art Club. Participating in everything from drawing to clay work, members of the Art Club enhance their art skills and create personal works by doing what they love. Advisers Ms. Coughlan, Mr.Finnell, and Ms. Connearney encouraged the students to branch out into different mediums of art during their "drop-in studio" days one afternoon each week. Each member used creativity to create their own works and Ms. Coughlan even remarked that Sharifah Mukasa, Vanessa Leroy, and Emily Bowling were the "star seniors" of the club. The Art Club took an exciting trip to Washington D.C. this year, where they saw Cherry Blossom trees that were inspiration to many other works.

Junior, Emily Aubert, says that being apart of Best Buddies has made her, "a better, more patient and understanding person,". As one of the advisers of the club, she states that one of the main goals of the club is to focus on team-building activities and events that teach teamwork and inclusion. Best buddies serves as a way to help get people involved in forming a stronger community within the school, as well.

"After joining Best Buddies, I was able to meet and make new friends through the years of high school. I will miss coming to the group meetings every month to play group games and do hands-on activities. The Debate Club is ideal for students with a passion for politics or just voicing their opinions. When the Debate club meets every 2 weeks, the members discuss contemporary issues in an open and informal setting. This year's senior class is highly involved with the club, with Cassidy Flynn as President, Nevi Avila as Vice-President, and Sofia Papachristos and Jenna Mola as treasurers. Learning about the government, acquiring leadership skills, and engaging in critical thinking are just a few things that the Debate Club places an importance on. This club also helps students prepare for the rigor and competitiveness of higher education. This year, the club is participating in a mock debate pertaining to the upcoming policies regarding medicinal marijuana. Nonetheless, this club yields some of the most persuasive debaters in the school.

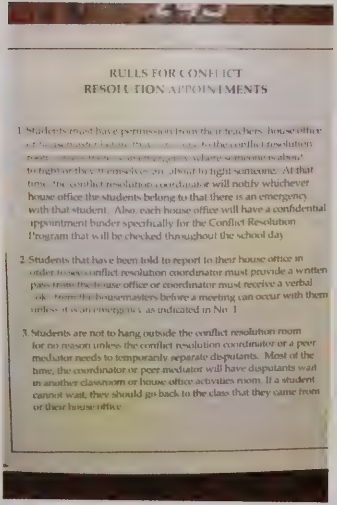
CONFLICT RESOLUTION

Previously called "Peer Mediation", the Conflict Resolution Program is a unique organization that Waltham High is certainly fortunate to have. Conflict resolution, advised by Mr. Bernard , provides a safe and peaceful environment for students to work through conflicts that they may have with other students or teachers. It is not uncommon to see students herded around Mr. Bernard's room with the intentions of meeting with him to simply talk about their daily trials, often looking for advise. A large aspect of the Conflict Resolution program is the "Teen Talks", held every Wednesday at lunches in the library. Here, the members can have open discussions about a variety of topics that affect the teens' lives. Student officers, Cassidy Flynn and Joselynda Menard, are largely invested in the club, organizing several meetings and events throughout the course of the year.

PROJECT PURPLE

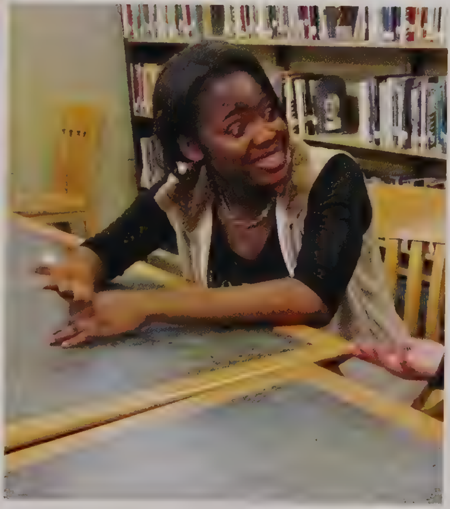


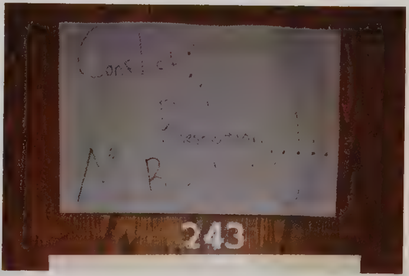
RULES FOR CONFLICT
RESOLUTION APPOINTMENTS

1. Students must have permission from their teachers, house office or housemasters before they [illegible] to the conflict resolution room [illegible] where someone is about to fight or they themselves are about to fight someone. At that time, the conflict resolution coordinator will notify whichever house office the students belong to that there is an emergency with that student. Also, each house office will have a confidential appointment binder specifically for the Conflict Resolution Program that will be checked throughout the school day

2. Students that have been told to report to their house office in order to see conflict resolution coordinator must provide a written pass from the house office or coordinator must receive a verbal "ok" from the housemasters before a meeting can occur with them unless it is an emergency as indicated in No. 1

3. Students are not to hang outside the conflict resolution room for no reason unless the conflict resolution coordinator or a peer mediator needs to temporarily separate disputants. Most of the time, the coordinator or peer mediator will have disputants wait in another classroom or house office activities room. If a student cannot wait, they should go back to the class that they came from or their house office



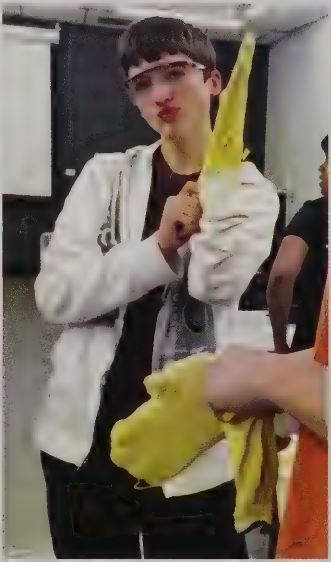


"Conflict Resolution is a great program at the high school because it gives students a chance to express themselves. It allows the student body to communicate in a completely safe manner." -Mia Kasper, Senior

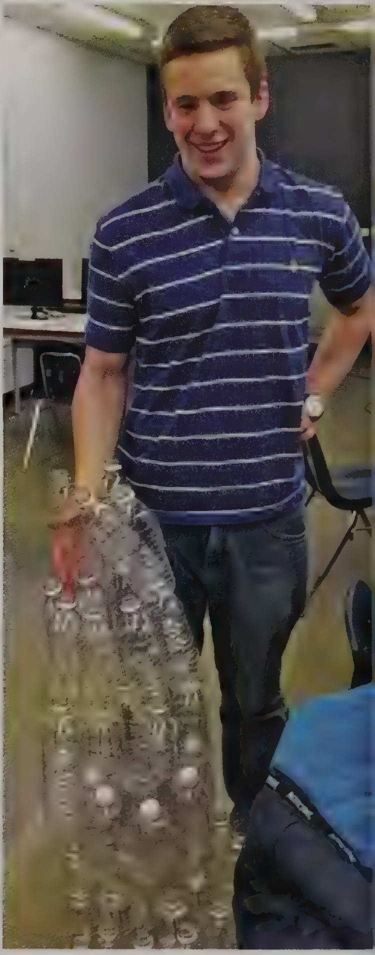
ENGINEERING CLUB

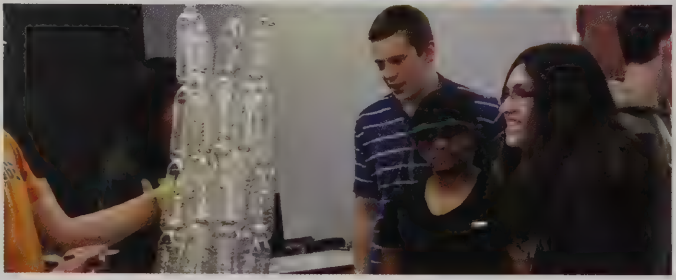
The Engineering club is a forward-thinking asset of Waltham High , as it applies engineering skills to solve problems in everyday life. The members of this club share a common love for problem solving and hands-on work, incorporating their own unique ideas into each design. Last year, the club created a Rube Goldberg machine, integrating many individually designed sections into one large working system, as to include all of the member's ideas and promote individualism. This year projects included a synthetic tree made of water bottles and the Sustainable Energy Education Drive (SEED) fundraiser. This innovative club looks forward to the future and the potential for new ideas and goals. Mr. Burns, the adviser, lends a helping hand to the 3 co-officers are Fitzgerald Panta, Parth Patel, and Michael Perlow, who are eager to apply their ideas and create designs for both practical and exciting new projects.

KEEP BOSTON MAROON



"My favorite moment was when we set off our Rube Goldberg machine after everyone left on finals day, and saw the paper airplane go down the zip line, and get all the way to the coke and Mentos fountain without error. I had a great time being a part, and I can't wait to hear what they'll accomplish in years to come." -Michael Perlow, Senior





FRENCH CLUB

Although the Waltham High School's French Club does not meet on a regular basis, its president, Samantha Das, has organized a wide range of fun activities and parties throughout the year. Earlier this year, the French Club went on a field trip to the Museum of Fine Arts to learn about French paintings and drawings, and also went to a French restaurant afterwards. One important aspect of the French club is that it attempts to help it's members better understand both the culture and language of French-speaking people. Currently, the club's president, vice president, treasurer, historian, and secretary are all working together to help plan next year's trip to France.

FRISBEE CLUB

JUST DO IT.
OBEY

A group of students who were not involved in a Fall sport but wanted to remain active used ingenuity to create Waltham High's first annual Frisbee Club. The club was open for anyone to join and encouraged involvement, attracting many of those who hadn't ever played the game before. Club Presidents Geoff Warren, Anthony Smith, and Joey O'Hara worked hard to organize the club and start the Frisbee events promptly. The Frisbee Club became official quickly and complete with team shirts that were made and a makeshift trophy, there was no question that this club was serious. There was even a team dinner at the end of the "season" to celebrate the club's founding and success.

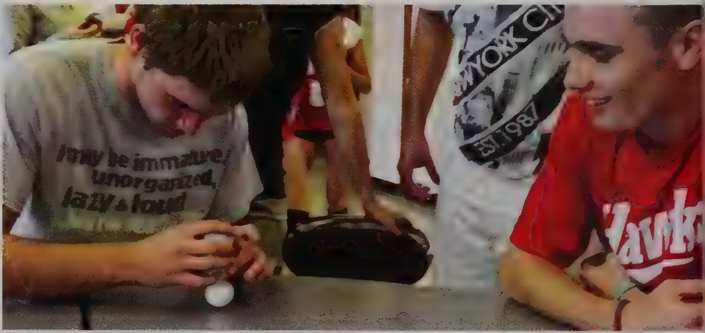
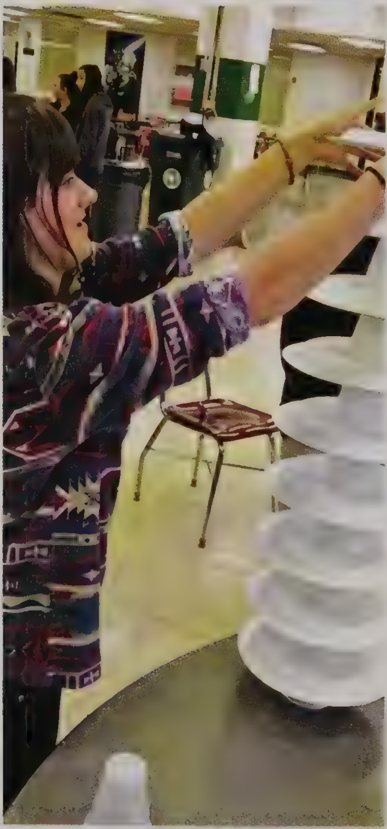
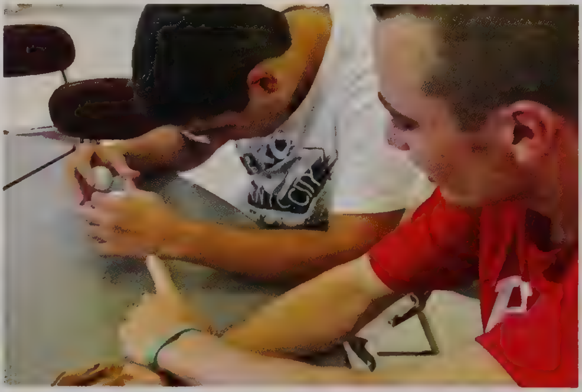
FRESHMAN MENTOR PROGRAM

The Freshman Mentor Program is an extremely popular one at Waltham High, drawing in many Junior and Senior applicants annually. This year is a unique one as Ms. Waldron-Parr and Mr. Rickles, the previous advisers, are resigning this year, Ms. Fournier and Mr. Stanton will be taking over. The program generally starts with the "Freshman Step-Up Day" in the summer where the mentors help the incoming freshmen transition into a high school setting. Officers Cassidy Flynn, Jennifer Wakefield, Molly Burgoyne, and Anthony Battista helped to plan and execute several events throughout the year such as "Are You Smarter Than A Housemaster", a trivia event, and The Gingerbread House building contest. The mentors had a successful year, keeping in touch with their assigned freshman as they got acclimated to their new setting.



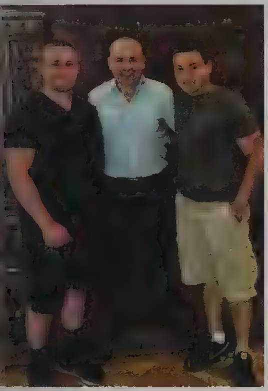


I was a part of the Freshman Mentor Program for two years. It makes the transition from the middle school to the high school as smooth as possible. As a freshman, I remember valuing my mentor's opinion on what the high school experience is all about."- Joe Marmion, Senior



ITALIAN CLUB

Due to its activity, fun events, and end-of-the-year field trip, the Italian Club is one of the largest at WHS. Between Italian Night and the trip to the North End, this club focuses on the culture of the Italian world, as well as the language itself. Student advisers Taylor Scafidi and Robert Damigella ensure that the events are always organized and appealing, with the help of Mrs. Piantedosi and Mr. Marini. Both underclassmen and Seniors enjoy the events established by the club, especially the club's field trip to the North End that includes a stop at the infamous "Mike's Pastry" for cannolis and cookies. The Italian Club helps to put the Italian culture in a more local context and allows students in Italian classes, with an Italian background, or a simple interest in the country to explore the Italian world.

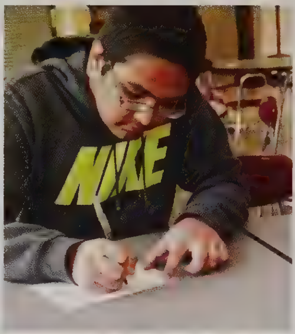


"We've had a successful year, mainly with Italian night, our annual fundraiser. Thank you to all who were involved with the club and making it a success." -Robbie Damigella, Senior

"Italian Club has been really great this year. Italian night was really successful with great food, music, and entertainment from a freshman class. The field trip to the North End was a blast as well, just like every year!" -Taylor Scafidi, Senior

National Honor Society

One of the most celebrated organizations at Waltham High is National Honor Society, which requires a GPA at or about 3.7, community service, and excellent character qualities as determined by teachers. This national organization has set goals for students since their time at WHS began and certainly offers rewards. Events such as the Halloween Dance and NHS banquet offer impetus for students to maintain good grades and prestigious character as their time progresses. This organization is also an honor to be a part of because it's recognized around the world by college admissions officers and higher education officials alike. The National Honor Society also sponsors many events such as the voter registration drive and Student Santa. This year, NHS was lead by an impressive group of student leaders including Anthony Batista as President, Ricky Chang as Vice President, Erica Kiesling as Treasurer, and Livingston Farrand III as Secretary.



"I've had a lot of fun being involved in National Honors Society. All of our events were enjoyable and successful and we had a spectacular group of people this year."- Anthony Battista, Senior

"The WHS National Honors Society added another chapter to a tradition of community service and academic excellence that spans decades. Our dedicated members helped make Student Santa an astounding success, and brought joy to hundreds of Waltham children. The Spanish club focuses on the Spanish language, as well as the cultural aspects of the Hispanic world. This year in particular it was a huge success, with dancing, music, and catering from Waltham's own Margaritas. The Spanish Club also hosted several other events throughout the year that incorporated the Spanish culture into everyday activities.

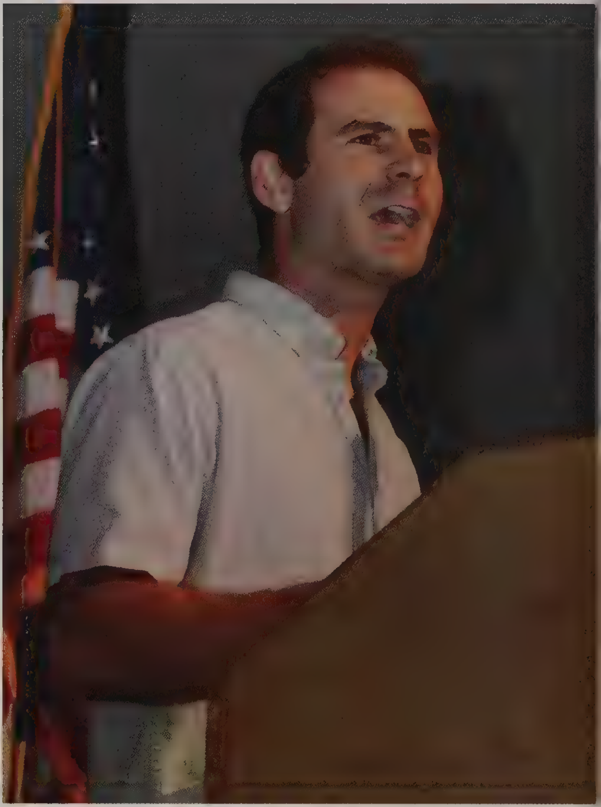
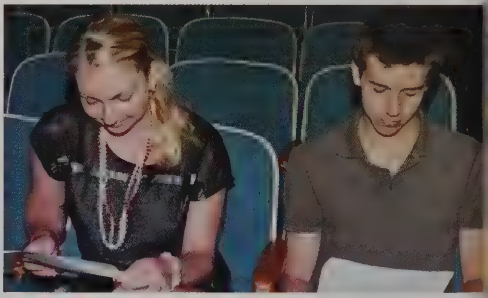
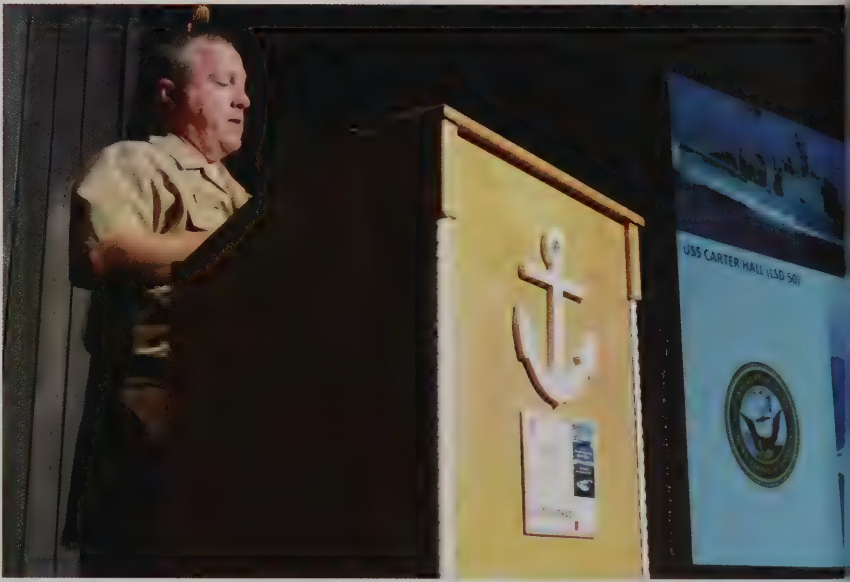
LEFT FOR DEAD SPEAKER: HUNTER SCOTT



Hunter Scott, author of Left for Dead, came to speak to students about his book and his life story, which we read as part of the new "One School, One Book" program. One point that Scott emphasized during this assembly was that one should surround themselves with dream builders, an important message to the student body that they are only as successful as the people that they associate themselves with. Not only did students get a chance to better understand the book they read over the summer, but they could not put the story they read into a context and get a better grasp of the meaning. Scott had an inspiring presentation that engaged the students and reiterated the meaning of Left for Dead story.

"I thought Hunter Scott was courageous and his story inspired me to chase my dreams. An important message I received from the assembly was to surround myself with dream builders in order to be successful."
- Derek Bourque

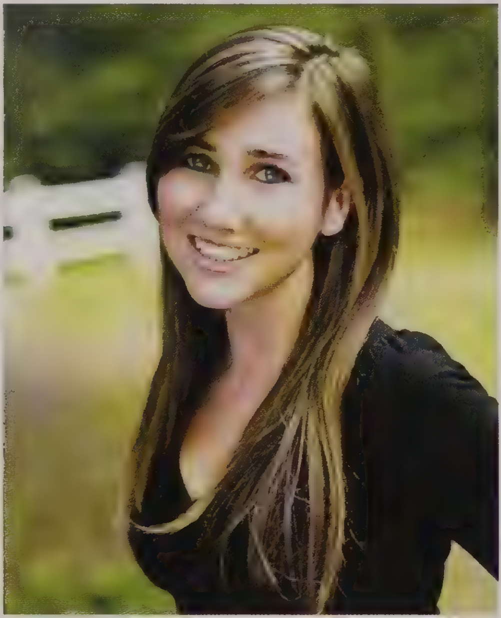




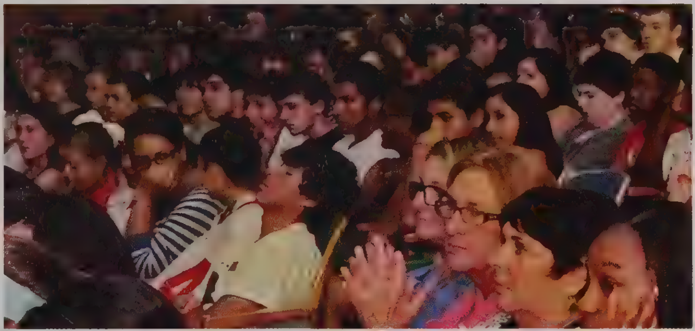
MALCOLM ASTLEY

Speaks about teen violence and remembers his daughter, Lauren Astley

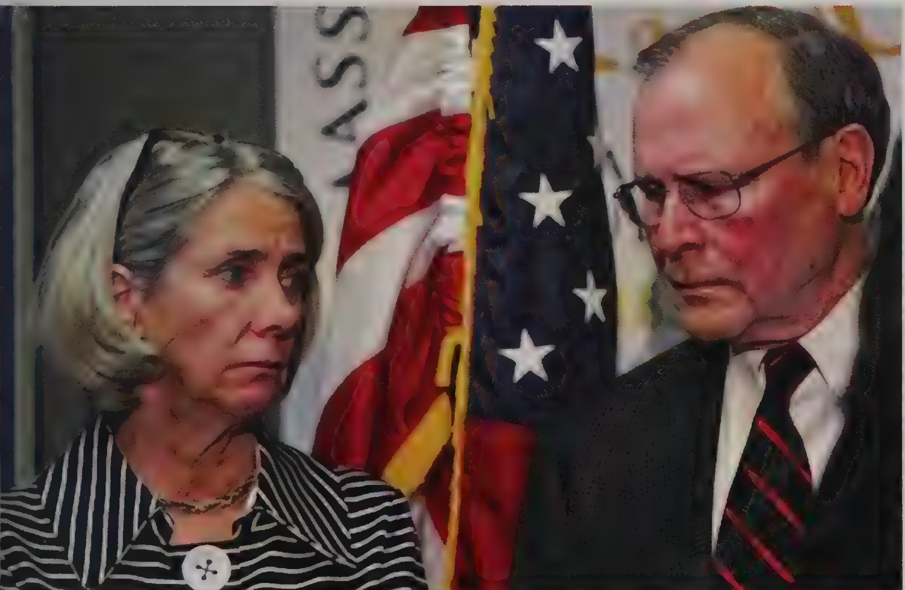
The PAVE club sponsored a deeply moving and emotional presentation this year that was significant to the entire student body. In July of 2011, eighteen year-old Lauren Astley of Wayland was killed by her boyfriend, a chilling testament of teen dating violence which is an increasing issue in high schools. The students were chilled to hear Lauren's father talk to them about the prominence of fating violence and how to recognize the signs. The presentation featured a slideshow of Lauren's pictures, a clip of her acapella performances, and several of her father's anecdotes and was truly captivating for all who watched. By hearing the tragic story from a firsthand account, the presentation was successful in raising awareness for such a real-life issue.



"This assembly was very touching because it was so relatable to people our age. It really hit home because it happened to a girl in high school, just like us." -Nicole Basile, Senior

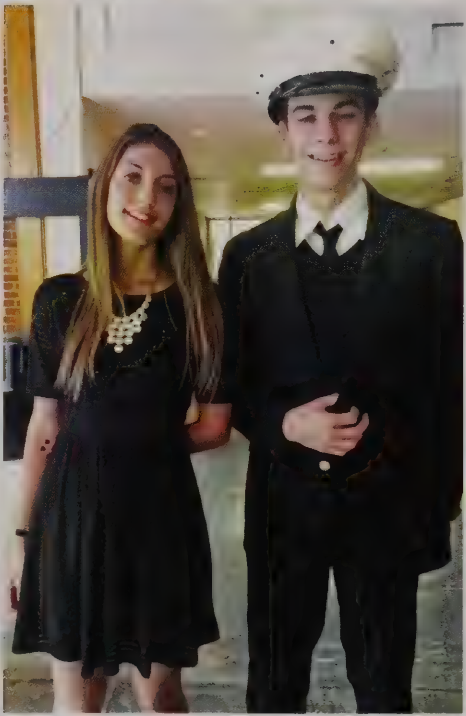


"Although this assembly was sad, it was also very eye-opening, as many high-schoolers aren't aware of the dangers of teen dating violence and how it can affect people." -Jordan Sutherland, Senior



Constitutional Law's MOCK TRIAL

This year's new "One School, One Book" initiative required to read Peter Nelson's Left for Dead, an exciting journey of a shipwreck brought to life. The book featured a trial with the protagonist, Hunter Scott, who was trying to clear the name of the ship's captain, Captain McVay. In response to this, Mr. Gavin's constitutional law class held a mock trial that reflected the real life court martialing of McVay. As each student played the role of a specific, real-life character, they got to present their own case in the same manner. Through this, both the participants in the mock trial and the audience of the presentation got a better understanding of the novel and each characters' positions. As the whole school got a chance to view the trial, they received the message of the book through a tangible presentation by their classmates.



"The Mock Trail was a fun experience. It was unlike any other project I have done for a class before. I think it was an awesome way to start the year and tie in the all school summer read."-Jenna Mola, Senior

PUTTING FOR PATIENTS 2013 WHS STUDENT COUNCIL

Considering it was the first time that Waltham High had sponsored "Putting for Patients", the event was a huge success with a plentiful turnout. Although it was run by Student Council, the well-known Jimmy Fund was the organization behind the actual course itself, supplying a full 18-hole mini-golf course in the Waltham High gyms. Taking place on November 2, many members of the community and beyond came to support the cause and test their hand at mini-golf. Along with food, face-painting, and raffles, there was something there for everyone. This was a great way for people all over the Waltham community to have fun and raise money for those who are battling cancer.

PUTTING FOR PATIENTS 2013 WHS STUDENT COUNCIL

"Putting for Patients was a great fund-raising event put together by Student Council. Alongside the Jimmy Fund, co-presidents Jenny Wakefield and Andrew Brenner worked diligently to raise as much money as possible. Not only was it a helpful event for those in need, but I had a fantastic time helping run and set up the event."-Dereck Ferrari, Senior

Following the performance, each grade competed in an obstacle course relay race where the seniors came out victorious. Other activities included a sibling pudding eating challenge and the crowning of the homecoming king and queen for each grade. The pep rally is always a great chance to give credit to the fall sports teams and advertise student attendance at sport games. Everyone showed their school spirit and enjoyed themselves immensely.

Not only was the 2013 Homecoming game a memorable one, but Waltham's second-annual "Homecoming Harvest" was a huge success as well. The Harvest, created and ran by Waltham High's Student Council , started the exciting Homecoming day off with various activities, engaging for toddlers and high school students alike. The Homecoming Harvest included face painting, bobbing for apples, pumpkin decorating, and even a petting zoo. In addition to these activities, the cheerleading team sold homemade bows for anyone looking to get into the game-day spirit. A goal of the Student Council had been to encourage community involvement, which is a goal that had certainly been met as students from the elementary and middle schools had also attended. The Homecoming Harvest was a great way to start off the victorious day and is sure to be a tradition for the Waltham community.

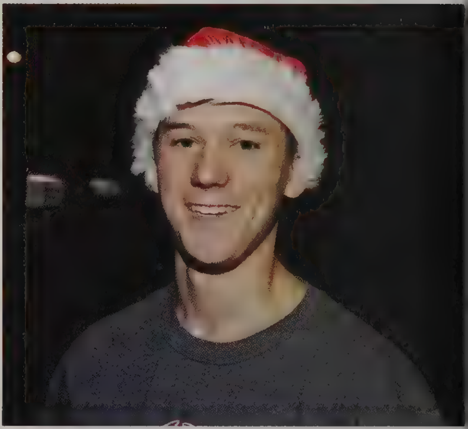
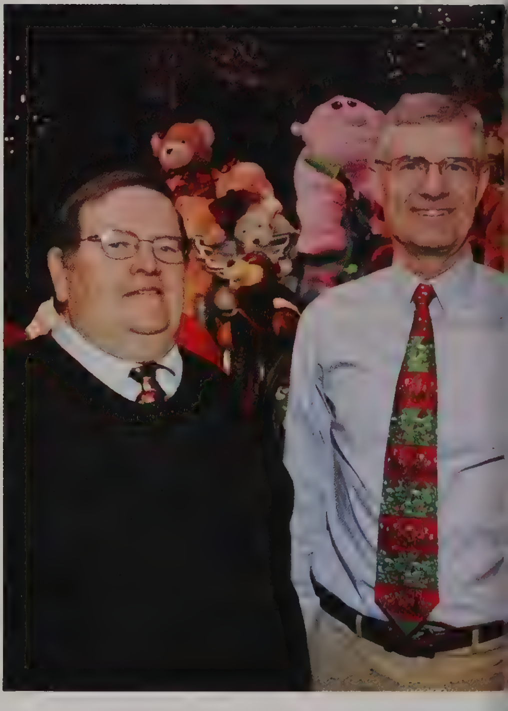
STUDENT SANTA





"Student Santa is a nice program and I think it was very successful this year. There were a ton of gifts on stage and everyone helped out even if they weren't involved in Student Council or NHS." - Aidalys Santiago, Senior

Per usual Student Santa was a huge success this year. Led by Mr. Cox, Mr. Goodwin, the National Honor Society, and the generosity of the school's students and teachers alike, Waltham High School helped raise around $30,000 to purchase gifts for 300 Waltham children from 150 families. Teachers and students throughout the school helped wrap over 300 gifts made available for the program, which Mr. Goodwin brought to the school 30 years ago. The event culminated in an assembly on December 19th, during which students displayed the gifts and played holiday music. There is no question why this special event is often coined as the "best day of the year" by students and staff alike.

"Student Santa is a great chance for students to interact with the community and hype up the holiday spirit. I always enjoy the day that we are able to go down to the auditorium and see all of our hard work pay off. This is easily my favorite school event of the year!"- Matthew Poirier, Junior

One event that truly marks the beginning of spring sports, nicer weather, and outdoor fun for WHS is the student council run Springfest. The entire Waltham community enjoys this event, held in Waltham High's own side parking lot, and is a huge hit with the elementary school children, as well. At Springfest, many sports teams and clubs run their own booths that can range from the Science Club's flowerpot decorating stand to the Swim Team's dunk tank. One of the most anticipated events at Springfest is the "Wings of Waltham" contest, where several local restaurants give attendees the chance to vote their chicken wings "Best Wings in Waltham". Many people also look forward to the football team's "bouncy house" obstacle course and the Waltham Fire and Police Department's presentations that feature real fire and police trucks for the kids to explore. This even is a great chance for the community to come together, enjoy the Spring sunshine, and explore the various things that Waltham has to offer.

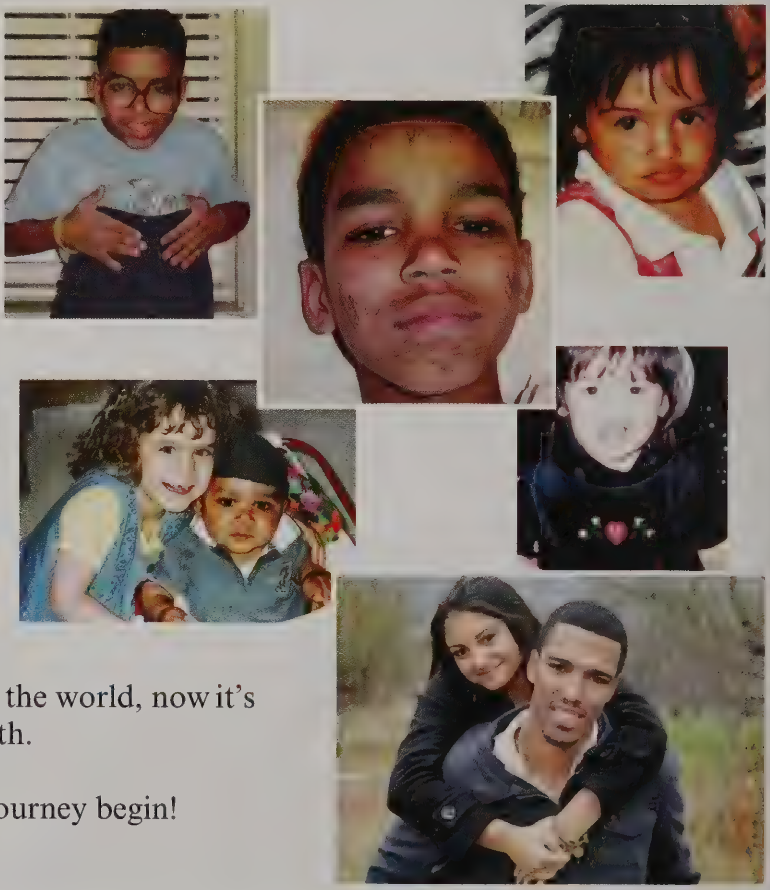
Brendan & Cynthia:

What a roller coaster ride, a long time coming; we are so proud of you both for achieving this wonderful goal. You deserve so much happiness and there is no doubt that you will have anything and everything you set your minds to.

Bren, we've wanted nothing more than to give you the world, now it's your turn to go out and grab a hold for all it's worth.

We love you to the moon and back! Let the next journey begin!

Mom & Dad



Michael J Perlow

IT'S BEEN A LONG ROAD, GETTING FROM THERE TO HERE
IT'S BEEN A LONG TIME, BUT YOUR TIME IS FINALLY NEAR

YOU'RE THE CAPTAIN, SO CLIMB ABOARD,
YOU'LL SEARCH FOR TOMORROW ON EVERY SHORE,
CLIMB ABOARD A STARSHIP, HEAD FOR THE CLEAR BLUE SKIES

THE WINDS YOU FEEL ARE ONLY WINDS OF CHANGE,
YOU'RE GOING WHERE YOUR HEART WILL TAKE YOU

YOU WILL SEE YOUR DREAMS COME ALIVE AT LAST,
YOU WILL TOUCH THE SKY
YOU CAN REACH ANY STAR,
YOU'VE GOT FAITH OF THE HEART

AND, THE ADVENTURE CONTINUES...

LOVE,
MOM, DAD & FAMILY
